

ANNOUNCEMENT

CALL FOR PAPERS

*Research on Economic Inequality* will have a special volume devoted to “Inequality and Taxation.” Issues such as: redistribution through taxation, implications of taxes and transfer programs, theoretical issues in measurement and income tax progressivity, international comparative analysis of tax systems and inequality, and related topics, are of interest for this special volume. *REI* will be accepting submissions for publication consideration for Volume 7 of *REI*. Send papers or further inquires to Sourushe Zandvakili, Guest Editor, Research on Economic Inequality, SMU, Dallas, TX 75275-0496.
